Getting here by train: From London Victoria station or from Gatwick Airport, get a train to Worthing. Trains that run to Littlehampton or Portsmouth also stop at Worthing. There are 3 railway stations at Worthing, so make sure to get off the train at the main Worthing station (not East or West Worthing). A taxi from Worthing Station to our house will cost about £6.

Directions by foot (20 minutes walk): from Worthing Railway Station, follow the signs to the Town Centre. Then walk towards the seafront (Marine Parade). Turn right and walk along the Promenade by the sea. You should soon see a hotel called 'The Burlington'. Brunswick Road is behind this hotel. Our house, (number 3) has a yellow door.
